No. 51001/ 2160

The Royal Thai Embassy presents its compliments to the Municipality of Ragunda and, with reference to the online meeting between Ambassador of Thailand to Sweden and the Mayor of Ragunda Municipality together with officials from both sides on 27 October 2020, has the honour to submit to the latter the Embassy's preliminary views on the element contained in the draft Scope of Operation for the organization for the management and future development of the Chulalongkorn Memorial Pavilion in Bispgården as follows;

1. The Embassy supports the idea of setting up a steering committee, comprises 5-7 members, to provide strategic guidance and direction to the operation and management as well as to mobilize financial support for the maintenance and renovation of the Pavilion. Representatives of the Steering Committee should be jointly designated and invited by the Embassy and the Ragunda Municipality, while the Municipality and the Embassy serve as standing advisors.

2. An association to be formed will undertake operational management. Its members shall be considered by the Steering Committee and its works will be guided by the Steering Committee.

The Embassy would like to emphasize that, regardless of the progress in setting up the steering committee and the association, the two sides should cooperate in preparing for tentative activities for 2021 and marketing for visitors. In addition, basic maintenance such as repainting and fixing minor fractures of the Pavilion should be undertaken over the course of early next year. Major renovation should depend upon mobilization of financial resources and future actual needs.

The Embassy looks forward to studying a report on past expenses and revenue, including the number of visitors to the pavilion in the past years and estimated expenses for operations while the pavilion was opened for paid admission.

The Royal Thai Embassy avails itself of this opportunity to renew to the Ministry for Foreign Affairs of Sweden the assurances of its highest consideration.

The Municipality of Ragunda,
RAGUNDA.
